

Maneuvering, Approaches, and Landings: A Risk Management Approach

Presentation will discuss risk, margins of safety, and tools to help mitigate risk in the maneuvering, approach and landing phases of flight. A review of aircraft accidents will help to reinforce the tools used to mitigate risk. Risk Management Handbook located at: http://www.faa.gov/regulations_policies/handbooks_manuals/aviation/media/FAA-H-8083-2.pdf

Directions: The Win Air Building is the old brick administration building, next to the FBO. Continue on Patenaude Dr and turn left onto Airport Road. The building will be at the end of the road. See attached maps.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
